

Dear Parents and Players,

Congratulations on making the pool roster for Team Evanston for the 2011-2012 season. To facilitate registration, we are holding a registration night at Evanston Township High School from 7:00-10:00pm on Sunday, November 13, which is the registration deadline for the U15 and U16 boys. Parents are encouraged to attend and complete any missing paperwork, try & order uniforms (8-9pm), and make payments. Please see the list of items below to ensure your player is registered:

1. **Paperwork-** All players must have completed and submitted the following items:
  - [NISL Registration Form](#)
  - [Team Evanston Parent Pledge](#)
  - [IYSA Medical Release Form](#)
  - A birth certificate copy
2. **Program Fee and Payment Schedule** - The fee for the High School program is \$1,595 which includes indoor and outdoor training, indoor and spring season league games, and 3 tournaments (2 tournaments + State/Club Cup).
  - A minimum of 50% of the fee is due by December 1st.
  - 100% is due by March 1st.
  - Any payments you have previously made for either the High School or Indoor Programs will automatically be applied to the total amount. Any questions regarding your payment status should be directed to [Kelly Roberts](#) or [Jay Bulev](#).
  - Participation in additional tournaments, which will be dependent on a specific team's competitive level and coach/DOC recommendation, will involve additional costs. Final tournament, cup, and league commitments will be determined on a team-by-team basis after rosters have been settled to assure optimal tactical and technical development at appropriate competitive levels.
3. **Uniforms-** All players are additionally required to purchase a uniform kit from Chicago Soccer. The full kit costs \$210, and includes 2 jerseys, 1 pair of shorts, 2 pairs of socks, 1 warm-up suit, and 1 backpack. Chicago Soccer will be on site to get size and payment information. Please bring a check/credit card to complete your order.
  - U16 players who purchased Team Evanston uniforms last year may re-use their warm-up suits and backpacks, but will need to purchase new jerseys, shorts and socks at a cost of \$80. (Last year's uniform is discontinued by Adidas.)
4. **Questions/Comments** - Currently we have determined only the U15 and U16 pool rosters. Individual team rosters will be announced by December 15 after the coaching staff has the opportunity to more fully assess player ability and competitive readiness based on their play during training. In the High School program each age group trains as a pool. Players who are initially placed on the Select roster will continue to train together with the Premier team and thus have the opportunity to continue to compete for playing time with the Premier teams based on the coaches' discretion and recommendation. If you have any additional questions regarding the program, you can contact Team Evanston's Director of Coaching [Issac Moushi](#).
